SOLE

by Tarragon

Sole is a new dining concept by culinary ambassador and chef personality Marvin Gauci. Situated on the vibrant island of Malta, renowned for its world leading seafood influence. The original concept was birthed from the legacy of the beloved Tarragon Restaurant that launched back in 2007.

A modern interpretation of a classic seabar concept, Sole brings dynamic food from award-winning dishes created by Marvin, featured in his debut cookbook titled *Culinary Trailblazer* and stellar cocktails inspired by his popular *Curated Cocktail Collection*. The restaurant boasts a modern and stylish design, with a warm and inviting atmosphere that is perfect for social dining.

Every table in the house has a panoramic view of the Mediterranean, one in which there is no boundary between the restaurant and the splendour in which it is surrounded. With stunning views of St George's Bay, escape the stresses of life, unwind and immerse yourself in the Sole experience.
